Want to retain the work days that we got this year in the next contract. They benefit students as well as staff. Reasonable - parents can come into office, field day, etc. Things that don't compromise the bldg. All levels - have conversation with bldg - regarding lack of concurrent remote, what do we do about students that need to quarantine? No answer for the district yet so Tim is collecting thoughts to share with DSAC. Pushing to have remote only sections. Make sure BRs have semester meetings with admin.
